To the far east of the continent, there's the country of Hinomoto.
The people in the city were suffering the attacks of a demon, a giant with a large tongue.
The responsibles for Hinomoto's protection, the Musha-Mikos, were being brought down one after another.
Until there appeared the Musha-Miko, Tomoe.
Combining both beautiful sword techniques and a strong spirit, she was the most beautiful fighter of all Hinomoto.

"Gufu-fufu, I'll punish you for your care-less-ness."
The giant's tongue stretched and coiled itself around Tomoe. Tomoe dropped her sword unin-ten-tionally.
How-ever, Tomoe had a secret plan.

Strong women from the west would gather at the tournament, could she win with her martial arts from Hinomoto? She wouldn't know unless she fought them.
"The Queen of the continent is aiming at Hinomoto. I want you to win the "Queen's Blade" tournament over in the continent, so that you become Queen and save Hinomoto."
The fight with the giant demon lasted until dawn. Tomoe was called by the Shinto priest, and was told of a serious matter.

Tomoe carried Hinomoto's fate on her shoulders. No matter how many hot baths she took, she wouldn't stop shivering.
Then ...

"We'll have your life!"
Suddenly, three ninjas attacked. Having neither her sword or her clothes, Tomoe got ready while covering her body with a towel.

"Wa-
rrior's
Triple
Kick!"
Even without her sword, Tomoe's brilliant leg techniques wiped her enemies out. The low-ranking ninjas fled, leaving one person un-counscious.

A group of people with exceptional talents, the Kouma Ninja Corps. The presence of those dreadful enemies was approaching Tomoe.
"Why would the Kouma Ninja Corps aim at my life?"
The ninja didn't answer, and took his own life.
"That tattoo… You're from the Kouma Ninja Corps?"

It was a surprise attack of a hundred people led by Shizuka, head of the Kouma Ninja Corps!
After saying farewell to her comrades, Tomoe left for the continent. As she entered the bamboo forest, a noise from the bamboo rippled through Tomoe's mind.
"This is Shi-zuka, nice to meet you~."

The corpses from dozens of low-ranking ninjas Tomoe had cut down exploded!
"Kouma Ninja Arts: Flesh Fireworks!!"

Tomoe had fainted. The shadow of the Kouma Ninja Corps loomed over her…

"Kouma Ninja Arts: Poi-soned Saliva!"
A tube from Gama-heita pierced the tied up Tomoe at the back of her neck.
"Aa-aa-aa-ah!"
A wicked liquid was poured into her body, and Tomoe's consciousness faded...

From a group of Musha-Mikos, a rain of arrows fell down.
"Miss Tomoe, we'll help you."

"This is bad. Kouma Ninja Corps, withdraw!"
Tomoe had gotten out of her predicament thanks to the Musha-Mikos. She chased after one person, Shizuka.

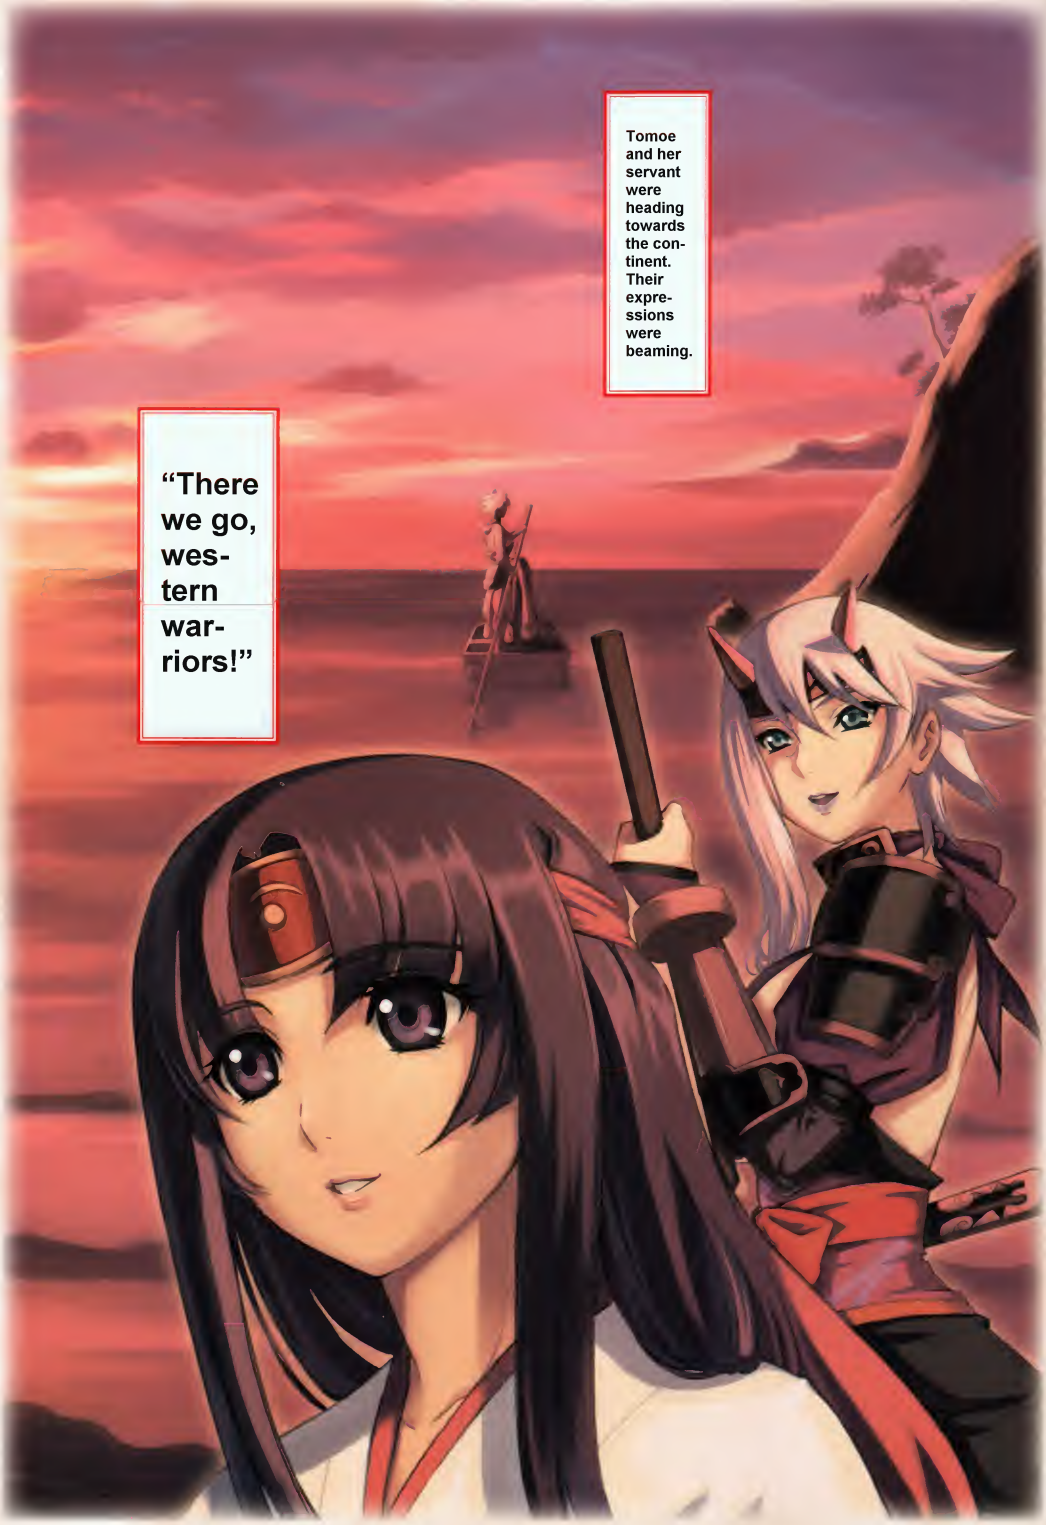
An intense confrontation between Tomoe and Shizuka!

If Shizuka cuts Tomoe's arm with her shuriken, Tomoe breaks Shizuka's weapon with her sword.

You have to stand up, Tomoe. Don't lose, Tomoe.
After teasing her a lot, she was going to deliver the decisive blow.
All of a sudden, the poison saliva ninja arts took effect. Tomoe can't move because of the pain, and Shizuka doesn't intend to go easy on her.

With wounds all over her body, Tomoe withstood the pain and prepared herself for her chance to counter-attack.
"Soul Cut! Secret Rotating Blade Slice!"
That was Hino-moto's spirit.

"Now, Hinomoto's comrades shouldn't fight each other."
To-moe shea-thed her bla-de.
Shizuka felt deep respect for Tomoe.



Tomoe and her servant were heading towards the continent. Their expressions were beaming.
“There we go, western warriors!”
